Village of Slokan

The Village of Slokan is a small, peaceful community at the south end of Slokan Lake where the Slokan River begins. It was not always so peaceful. During the 1890's, it was a bustling, boisterous, boomtown filled with ore, and miners in pursuit of the ever elusive "motherlode".

Now, we offer tranquil sights of the Slokan Lake and the Valhalla Mountain Range. Our village provides shopping, a gas station, auto repair, accommodations, post office, and a restaurant. There are two Churches: St. Andrew's Presbyterian Church and St. Mary's Catholic Church. Slokan is the launching point for the Evans Lake Trail into the Valhalla Provincial Park and the start of Rails to Trails at the south end of Slokan Lake. Hike, swim, walk, bike, boat, or watch the clouds move across our narrow valley. Come and stay at **Springer Creek RV Park and Campground** and experience the serene beauty of the Slokan Valley mountains and lake. Be busy each day or relax and take the time to reflect upon the existence of huckleberries.

Rails to Trails
