SCHEDULE “B” – 2021-2025 Five Year Financial Plan

Revenue Policy:

The revenue policy will provide direction on how Council chooses to fund the expenditures of the Village, distribute property taxes among the property taxes and use permissive tax exemptions.

Revenue Sources

Table 1

Revenue Source	% of Total Revenue
Property Value Tax	7%
Sale of Services	4%
Revenue From Own Sources	7%
Unconditional Grants	14%
Conditional Grants	47%
Transfers From Own Reserves/Funds	21%
Borrowing	0%
Total	100%

Table 1 shows the proportion of total revenue proposed to be raised from each funding source in 2021.

Grants also provide a source of revenue to the municipality. Sales of service and Utility User Fees provide revenue for the municipality on a user-pay basis.

Policy:

Council is committed to examining economic development opportunities and investigating alternative revenue sources, such as the micro hydro project, in order to reduce historical reliance on property taxes to fund municipal services. The operation of the water utility and solid waste collection and disposal are self-funded through user fees.

Objectives:

- To maximize a user-pay cost structure wherever possible.
- To maximize the use of grant funding for infrastructure and service upgrades.

Proportion of Taxes Allocated to Classes

With the loss of the Springer Creek Forest Products Ltd. the Village of Slocan's tax base is now primarily residential and therefore the majority of the tax burden falls on the residential homeowners.

Policy:

It is the policy of Council to shift the tax burden from Property Class 04 (Major Industrial) to Class 01 (Residential) to help absorb the revenue loss from the closure of Springer Creek Forest Products – Class 04 (Major Industrial).

Objective:

- As a result of the reduction in the assessment rate for Property Class 04 (Major Industry); Property Class 01 (Residential) should be the first to absorb any such shifts.
- Where possible, revenues from user fees and charges should be used to help offset the burden on the entire property tax base as a result loss of assessment values of Property Class 04 (Major Industrial).

Permissive Tax Exemptions

Council provides permissive tax exemption to not-for-profit organizations that form a valuable part of the community. These include religious institutions and the community services society.

Policy:

Council will continue to support local not-for-profit organizations that provide benefits to the community as a whole and are eligible under the Community Charter through permissive tax exemptions.

Objective:

To provide permissive tax exemption to not-for-profit organizations that benefits the overall well-being of the community.
