

## Local Government Climate Action Program Survey Submission Report

### Slocan

Report generated on Friday, July 15, 2022 13:45 PST

Question	Answer
1. Does your local government or Modern Treaty Nation have a climate action plan or strategy?	Yes
1.a. Indicate the date the plan was adopted.	2016
1.b. Include a link to the document (URL) or webpage.	<a href="http://www.slocancity.com/wp-content/uploads/2021/11/SCEEP-FINAL-REPORT-Slocan-2016-02-09.pdf">http://www.slocancity.com/wp-content/uploads/2021/11/SCEEP-FINAL-REPORT-Slocan-2016-02-09.pdf</a>
2. For the calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose corporate greenhouse gas (GHG) emissions?	No, corporate GHG emissions are measured, but not made public
3. For calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose a community-wide emissions inventory?	Community GHG emissions are measured, but the inventory is not publicly disclosed
4. Is your local government or Modern Treaty Nation tracking progress on its community-wide GHG reduction target?	No

4.e. If no, select all that apply:	"No, due to a lack of resources"
5. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Buildings	<p>2021/22 Project - Slocan Legion Hall Heating Upgrade Installation of 6 air source heat pumps in the Slocan Legion Hall, replacing old electric furnace system.</p> <p>2021/22 Project - Slocan Legion Hall Heritage Restoration Project Heritage and energy upgrades to the Slocan Legion Hall - energy portion includes new siding, windows, doors and electrical.</p>
6. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Transportation	<p>Encouraging use of EV charge station located at the Slocan Wellness Center. The EV charge station is currently free of charge to use (Village covering cost of charging at this time).</p> <p>Installation of new bike racks at beach and campground.</p>
7. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Community	OCP revision underway, which includes increased consideration for climate action.
8. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Climate Resilience	<p>OCP revision underway, which includes increased consideration for hazard and land use risk reduction.</p> <p>Continued partnership with the RDCK on programming and service delivery.</p>
9. Which elements of your community's current official community plan (OCP) (or other relevant strategies, policies and/or plans) support the creation of more complete, compact communities?	We are currently mid-way through an OCP revision. The draft OCP considers strategies and policies for this action, but are still being formed. The Village looks forward to reporting out on this next year.
10. What actions has your local government or Modern Treaty Nation taken to increase community completeness and compactness since 2020 (e.g. urban containment boundary, increasing density by allowing secondary suites and laneway or carriage housing options)?	We are currently mid-way through an OCP revision. The draft OCP considers strategies and policies for densification, but the ideas are still being formed. The Village looks forward to reporting out on this next year.

11. What data would be most valuable to your local government or Modern Treaty Nation in decision-making related to the creation of complete, compact communities?	We are not undertaking this at this time due to a) capacity, and b) the OCP is currently underway.
12. From 2021 to now, has your local government or Modern Treaty Nation taken any action(s) to address climate impacts?	Capacity and funding are always issues when actively addressing climate impacts. One example, which is being financially supported by EMBC, is repair of the Park Avenue walking bridge. The bridge was damaged due to the severe flooding of 2020.
13. Has a climate risk and vulnerability assessment (or similar assessment) been undertaken for your local government or Modern Treaty Nation?	No, and we are not intending to undertake due to lack of financial capacity
14. What are the three most significant climate hazards faced by your jurisdiction	"Wildfire","Overland flooding","Wind, rain, and other storm events","Extreme heat and heat stress","Ecological, cultural and/or human health impacts (examples of cultural impacts include threats to identities, languages, and livelihoods; examples of ecological impacts include biodiversity loss, erosion, invasive species, ecosystem changes)","Extreme cold, snow and ice","Water shortage","Coastal flooding, storm surge events and/or other coastal hazards"
15. Are you responding to this survey on behalf of a Modern Treaty Nation?	No
16. Based on the hazard you indicated as most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Seniors"
17. Based on the hazard you indicated as second most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Seniors"
18. Based on the hazard you indicated as third most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Seniors"

19. Select the top three factors your local government or Modern Treaty Nation needs most to increase the capacity to adapt to climate impacts and build community resilience.	"Increased funding", "More partnerships and collaboration across levels of government", "Increased staff capacity"
20. How does your local government or Modern Treaty Nation ensure equitable access to, and distribution of, climate action opportunities and benefits?	"There are no specific measures in place at this time to ensure equitable access to, and distribution of, opportunities and benefits"
21. Do the climate action plan(s) and priorities of your local government or Modern Treaty Nation align with the climate action plans and priorities of senior levels of government?	"Yes, we align climate action plan(s) and priorities with the federal 2030 Emissions Reduction Plan", "Yes, we align climate action plan(s) and priorities with the provincial CleanBC Roadmap to 2030", "Yes, we assess our plans and priorities for multilevel alignment", "Yes, we collaborate with other communities to align with climate action plans and priorities of senior levels of government"
22. Is your local government a signatory to the B.C. Climate Action Charter or a Modern Treaty Nation?	Yes
23. To demonstrate commitment to climate action, climate investments (i.e., matching funding or in-kind contributions) equivalent to 20% of the provincial funding received are required of local governments and Modern Treaty Nations. The intent is to show past, current, and future investments in climate action and create awareness and education.	"Staff time", "Climate or energy studies and/or assessments", "Climate or energy plans, policies and/or strategy development", "Climate resilient infrastructure and/or capital project(s)"
24. Please provide your (or survey primary contact's) first and last name.	Michelle Gordon
25. Please indicate your (or survey primary contact's) position with your local government or Modern Treaty Nation.	Chief Administrative Officer

26. Please provide your (or survey primary contact's) business email address.	cao@villageofslocan.ca
27. Please provide your (or survey primary contact's) business phone number.	2503552277

## Local Government Climate Action Program Attestation Form

**Instructions for the Attestor:**

1. Complete and sign this form by filling in the fields below.
2. Email the completed and signed form to [LGCAP@gov.bc.ca](mailto:LGCAP@gov.bc.ca).

I, the Chief Financial Officer, or equivalent position, of \_\_\_\_\_ (name of local government) confirm the following:

1. That Local Government Climate Action Program funding has been, or will be, allocated to climate action.
2. That if funds are held in reserve, they will be spent by the end of March 2025.
3. That a completed and signed version of this form will be submitted by email to the Climate Action Secretariat, Ministry of Environment and Climate Change Strategy by July 29, 2022.
  - a. If council approval is required, it will be submitted no later than September 30, 2022.
4. That a completed and signed version of this form will be publicly posted by September 30, 2022.
5. That a completed and exported version of the program survey (submitted online) will be publicly posted by September 30, 2022.

Attested to by me at (name of local government) \_\_\_\_\_  
on (date) \_\_\_\_\_ 20\_\_\_\_\_
