4. PROPOSAL BACKGROUND

The Village of Slocan is located approximately 60 minutes from Nelson and Castlegar on Slocan Lake, in the beautiful Slocan Valley. The Village is known for being located in one of the most scenic valleys in BC and is considered as the gateway to Valhalla Provincial Park, a 50,000 hectare park established for the protection of the Selkirk Mountains.

Campground:

The Village owns and operates the Springer Creek RV Park & Campground at the entrance to the Village just off Highway 6. The campground is popular with tourists visiting the Slocan Valley and experiencing Valhalla Park, Slocan Lake, the Slocan Valley Rail Trail, and other local attractions.

The Springer Creek RV Park & Campground is municipally-owned, with operations funded from a combination of municipal taxes and user fees. The seasonal operation of the Springer Creek RV Park & Campground is by private contractor, under contract with the Village of Slocan. The Campground is open May 1st through to mid-October. The average yearly gross revenue over the past five years has exceeded \$75,000. Fees are collected from site reservations, as well as the sale of firewood, sani-dump, and coin-op showers. Yearly revenues may vary from year-to-year, based on wildfire and wildfire smoke impact.

Park Washrooms:

The Village of Slocan has significant public use areas on its waterfront, on the Slocan Lake and Slocan River. These areas are utilized by the public year-round and are most popular during the summer months. This Village has garnered a reputation as a safe, family-friendly destination and is something the Village strives to maintain. The waterfront is becoming increasingly popular with multiple user groups, who access public infrastructure including a public beach park with picnic areas and washroom, beach volleyball court, swim dock, boat launch, breakwater, gazebo, and the Slocan Lake trailhead for the Slocan Valley Rail Trail.

The seasonal operation of Slocan's park washrooms facilities is by private contractor, under contract with the Village of Slocan. The facilities are open May 1st through to October 15th, and include the Beach Washrooms, Kiddie Park Washroom, and Rail Trail Outhouse.

5. TERM & HOURS OF OPERATION

- a) This proposal is to hire an operator to run the Springer Creek RV Park & Campground, and maintain three park washroom facilities, for a term of one year - the 2026 season, with an option to renew for a further one (1) or two (2) years. Renewal after each year will be subject to submission of a Year End Operator's Report, a successful performance review, and Council approval.
- b) The term of operation will be from May 1st through to October 15th, 2026. The Contractor may begin work up to one week prior to opening for pre-season cleaning, and extend a week past the contract term for post-season shut down.
- c) The Campground shall be open on a full-time, 7-day per week basis.

- d) The Slocan Tourist Information Booth shall be open a minimum of four (4) hours per day during low season (May 1 – June 15 and September 16 – October 15) and a minimum of six (6) hours per day during high season (June 16 – September 15th).
