VILLAGE OF SLOCAN MEETING NOTES – October 13, 2026

- CAO Michelle Gordon gave opening thanks to Mayor and Council, recognizing each member and their contributions over the past 4 years, and presented a Legacy Award to Mayor Jessica Lunn recognizing her 18 years of service on Council - six as Councillor, and twelve as Mayor.
- CFO Nathan Russ presented the quarterly financial report ending September 30th, 2026, as well as a preliminary draft operating budget for 2027.
- Council approved the Springer Creek RV Park & Campground Operations Procedures Manual, designed to help contractors operate the campground and Tourist Information Booth.
- Council directed staff to prepare an application to the Columbia Basin Trust's Brownfield Revitalization Program for the mill site, and that the scope be prepared in consultation with Bear Environmental.
- The Legion has requested a new fence to be installed around the rear section of the property. Public Works will investigate further, including laneway access that is currently blocked by a Fortis pole, prior to approval.
- Council adopted a Village of Slocan Tree Management Policy, with staff directed to include trees within laneways and public land in the document. An application form will be made available for tree removal requests.
- A proposal to install a baseball diamond at the Expo Field will be referred to the Slocan Outdoor Recreation Commission.
- The Village of Slocan Fees & Charges Amendment Bylaw was given 3 reading. The amendment includes a revision of Fitness Center fees, reinstating 3-month, 6-month and 1-yer passes for $65, $125, and $240 respectively. 1-month passes remain at $25 (+ GST).
- Council approved that the Regional District of Central Kootenay will receive and manage the UBCM Community Emergency Preparedness Fund – Foundations of Disaster Risk Reduction (Category 1) funding on behalf of the Village of Slocan.

Save the Date for Columbia Basin Symposium – RE:Energize

Read More → www.ourtrust.org

For more than 30 years, Columbia Basin Trust has brought Basin residents together through its Symposium—a chance to explore topics of shared interest, hear new perspectives and connect with others who care about the future of the region.
In 2027, the conversation turns to energy. RE:Energize will explore the full story of energy: where it comes from, how it reaches our homes and businesses, and how it can be used efficiently and reliably.
