

Slocan Community Library

The Summer Recess of the Slocan Community Library.

The Slocan Community Library will be closed for Summer Recess from Wednesday, July 17th to Monday, September 2nd and will reopen on Tuesday, September 3rd... making Tuesday, July 16th the last day the library will be open until it reopens at the beginning of September.

We sincerely apologize for the unavailability of the library facility during this time, but it will result in a community library that will be even more enjoyable to use and more amiable and cordial a place to visit.

To make it possible for all patrons to be able to use whatever books, magazines, talking books, DVDs, CDs, VHR videos, etc, that you would ordinarily use during this time, everyone will be able to borrow as many items as they wish for the Summer Recess.

As well, to make this Summer Recess as easy for all of the library's users as possible, it will not be necessary for you to bring in books that are due before then and renew them.

You may simply keep them during the Summer Recess and return them when the library reopens.

The library's will be open and staffed according to its regular schedule... from now until July 17th:

Tuesday... 1pm - 5pm
Thursday... 1pm - 5pm
Friday... 7pm to 9pm
Sunday... 11 am - 3pm

To make this as easy for everyone as possible and provide you with the opportunity to get what you would like,

the library will also be open on the days it would normally be closed, until July 17th:

Saturday... 1pm - 5pm
Monday... 1pm - 5pm

Sunday's usual hours of 11 am - 3pm will also be extended from 3pm to 5 pm.

We may be able to extend the hours on other days as well, until July 17th, by opening earlier.

**Call the library for information:
250 355 2355.**

Thank you for your understanding and help in improving your library's services.

It is appreciated.

Have a wonderful summer holiday.

Committee.
